

PITTSFIELD SCHOOL DISTRICT BUS ROUTES 2025-2026

REMINDERS:

- > In town runs are only for K-5 students
- > High School students will be dropped off at the school first & then elementary
- > No K-3 student will be dropped off at a stop without an adult being present. If no one is there they will be brought back to school unless a note is provided to the school or bus driver stating otherwise.
- > If students will be riding a different bus for the day they will need a signed note from their parent/guardian.

Please be patient the first couple of weeks of school as we work out the schedule. Please arrive at the bus stop five minutes prior to expected pick up time and stay at bus stops to wait for your children.
