Pittsfield School District

SCHOOL CALENDAR

The school calendar will be developed by the superintendent and approved by the Board. Any exceptions or revisions to the calendar must be approved in advance by the Board.

The superintendent shall ensure that the calendar conforms to the number of actual days of instruction and employment required by law, Board policy, collective bargaining agreements, and staff work agreements.

To the extent possible, the calendar will be coordinated with the school calendar of the area career and technical school and special education programs as may be applicable.
