

IHCAA

Pittsfield School District

SUMMER ACTIVITIES

The Board recognizes that student learning is an ongoing process and that it is important for students to engage in learning activities even when not attending school. Therefore, the Board encourages students to have a plan for summer activities that support student learning. Such activities may include summer programs offered by the district, extended learning opportunities (ELOs), a summer book reading list, attending an education-themed summer camp, or other activities to support ongoing learning.
