The Board supports early graduation as a means to earn a high school diploma. Parental involvement for students under the age of eighteen is required. The administration shall approve such requests if he / she determines that all state and local graduation requirements will be met and that early graduation is related to career and / or educational plans of the student making the request. Upon approval by the dean of instruction, the minimum four-unit requirement per year for enrolled students shall be waived and the student shall be awarded a high school diploma.
