Pittsfield School District

EMERGENCY PLANS

The superintendent is responsible for ensuring the district's Emergency Response Plan conforms with the requirements of RSA 189:64 and addresses hazards including, but not limited to: acts of violence, threats, natural disasters, fire, hazardous materials, medical emergencies, and other hazards deemed necessary by the School Board or local emergency authorities. The emergency plans will be based on and conform to the Incident Command System and the National Incident Management System.

The School Board directs the superintendent to develop site-specific emergency response plans for each school building, to have each plan reviewed annually prior to September 1, and to submit the emergency response plans or if the annual review does not change the plan, notice that the review has been completed to the Department of Education no later than September 1 of each school year.

The superintendent is authorized to provide a current building schematic floor plan in digital format to the Division of Homeland Security and Emergency Management of the New Hampshire Department of Safety.

The superintendent is responsible for ensuring that at least two times per year, the district conducts emergency response drills. "The superintendent is responsible for ensuring that the district conducts emergency response drills at least two times per year. The superintendent will establish a relationship with local and state emergency and law enforcement authorities
